Parent Carers Voice Oxfordshire aims to help families of disabled and additional needs children in Oxfordshire receive appropriate support.

The Care Act 2014 and the Children and Families Act 2014 strengthen the rights and recognition of carers in the social care system, and came into effect in April 2015. New rights entitle carers and the people they care for to a clear right to an assessment of their needs regardless of their income and finances or their level of need. Young carers and the parents of disabled children are also included in the new system.

This factsheet contains information about the new system of care and support that came into place in England on 1 April 2015. <http://www.carersuk.org/files/helpandadvice/4765/factsheet-e1029--assessments-and-the-care-act-updated-27-march-2015.pdf>
