- b. We value and respect their diversity.
- c. We aim to ensure that the Let's Play Project reflects and meets the needs of disabled young people and their families.

To ensure that the make-up of the Board of Trustees and staff team of the Let's Play Project reflects the diverse society in which we live and is open to individuals regardless of their race, colour, ethnic or national origin, gender, disability, marital status, age, social class, religious beliefs, sexual orientation, economic status, political values, irrelevant offending background, and responsibility for dependants.
- b. To ensure that any premises used by the Let's Play Project are accessible for all members of the community.
- c. To increase awareness of people who face discrimination and effects of discrimination in society in general and challenge all forms of offensive discrimination, attitudes, remarks, behaviour, and offensive jokes.
- d. To consider equal opportunities in all areas of the Let's Play Project's services and work.
