

UNCOLLECTED YOUNG PERSON OR YOUNG ADULT POLICY & PROCEDURES

1. General Statement:

The Let's Play Project has the highest regard for the safety, welfare and care of the Young People and Young Adults from the point that they are dropped off into our care and until they are collected by a Parent or Carer or transported home.

If an individual agreement is needed to alter our standard drop off and collection procedures, then the Core Team at Let's Play Project will work with the Parents/Carers to ensure that alternative arrangements are suitable for all. The Let's Play Project will also work with other agencies, if necessary, to achieve a safe outcome should a Young Person or Young Adult not be collected by any of the people designated to do so.

2. Policy

- 2.1. At the end of every session, the Let's Play Project will ensure that all Young People and Young Adults are collected by a Parent/Carer or designated safe person who is over the age of 18.
- 2.2. In the event of failure by a Parent/Carer or designated person to collect the Young Person or Young Adult, or to inform the Let's Play Project of late arrival, then the Let's Play Project will make every effort to make contact, if we are unsuccessful then emergency contacts on file will be contacted. However, should this not be successful Social Services or other agencies who can continue the care of the Young Person or Young Adult will be contacted and support requested.
